# JASON NEWSTED

*We are pleased that Jason has agreed to become part of the 55Bellechasse's adventure.*

*Jason was born in Michigan, and now has workspaces in California and Florida, USA. Jason is best known for his career as bassist and vocalist for Grammy Award winning, Hall of Fame Artists, **Metallica**.*

*He was a member of the world's most successful heavy metal band from 1986 to 2001, including recording & touring for the legendary ...And Justice For All LP, and the groundbreaking Black Album.*

*While retaining his interest in music, Newsted has now focused most of his attention and considerable energies to visual arts.*

*Already he got extensive interviews and articles in the USA and France dealing with the new focus for his career and it is in line with our belief: Jason Newsted could become as famous for his paintings and drawings as he is for his music and vocal skills.*

*Jason will be celebrating his 55th birthday, and 55 Bellechasse it's 5th anniversary, in March 2018. A wonderful alignment of the stars for those of us who believe in the positive karma of the number 5.*

*We look forward to sharing a special celebration together. But now it is Art Miami 2017 and Jason Newsted's art is surrounded by pieces made by 7 other members of the 55B's team: Niloufar Banisadr, Christiaan Conradie, Jon Davis, Diadji Diop, Tomasz Kanlowski, Jonas Leriche and Pascal Vochelet.*

*Thanks for your interest*
